

## Topic - Food

(Cross-curricular with Science, Geography, ICT, DT & Music)

The children will be exploring where our everyday food comes from.

They will study what food miles are, which food has to be imported and which food can be grown locally. They will track some everyday foods from field to table, discovering which foods travel the furthest.

They will explore British heritage foods, discovering specialities from different places around the UK.

They will categorise food and look at what healthy eating is, and how to achieve it.

## Music

Children will be composing their own songs about food, based on Lionel Bart's song *Food Glorious Food* from the musical *Oliver!*

They will also be exploring oral poetry about food, with a view to performing their own versions.

## Science: Animals including Humans - growth and development of humans: exercise and the circulatory system.

Children will be: Looking at the names of bones, the human organs and their uses, muscles and the digestive system as well as focusing on human development and healthy eating and exercise.

# Summer 1 - Come Dine With Me Year Five

Stimulus: *Oliver!* By Lionel Bart  
Boy by Roald Dahl.

End of Unit Celebration: Food tasting from different cultures.

## Local/National/Global Links:

Local Links: Exploring locally grown food.

National Links: Exploring heritage foods from across the country.

## P.E - Net and Wall / Athletics.

The children will be continuing to work net and wall (Tennis) skills this half term, as well as (weather permitting!) using the field for athletics. They will:

- develop their tracking and catching a ball.
- develop their forehand and backhand tennis skills
- learn to use tactics in a tennis type game.
- Sustain and maintain running speed, improve on personal target.
- Keep a game going using a range of different ways of throwing.
- develop their team work and evaluation skills.

P.E. is on Mondays and Wednesdays - Please ensure that the children have outdoor kits and trainers with them.

## PSHE: Good To Be Me

- KIDSAFE sessions with Mrs Billington.
- Exploring what makes me "me".
- Understanding that everyone is different, and learning to embrace people's differences.

## R.E: Women in the Old Testament.

Children will be learning about the different women from the stories of the Old Testament and how they were important. They will be compare the different traits these women possessed and discussing the struggles these women faced and overcame.

## Modern Foreign Languages: French

We will be learning about the seasons in French, and looking at key vocabulary for each season.

By the end of the unit, children will be able to:

- Name of seasons
- Talking about seasonal activities
- Say the date and when their birthday is
- Name craft materials
- Follow craft instructions in French.

## Art/DT

Children will be cooking in this unit.

They will prepare food, weighing and measuring using scales, working safely and hygienically and using a range of cooking techniques.

They will be exploring and tasting food from other cultures and countries, as well as British food.

They will also be exploring sketching techniques with pencils and colouring pencils.

## Numeracy & Literacy:

Please see links to National Curriculum Maths and English.
