## Christian Values

At Skerton St Luke's we celebrate our close relationship with St Luke's Church and Christian Values are embedded into our daily lives at school. We know that as our children leave school they will need knowledge and skills to arm them in the next steps of their education, we also believe that the Christian Values we explore and understand will become their guidance in the future. The special way in which our children put these Christian Values into practise in their learning and play, makes our school truly distinctive.

Over the course of two years, we explore 12 core Christian Values. These are:

- Generosity
- Compassion
- Courage
- Forgiveness
- Friendship
- Respect
- Thankfulness
- Trust
- Perseverance
- Justice
- Service
- Truthfulness

We look in depth at the meaning of one of these Christian Values each half term, we do this alongside the teaching of learning skills and understanding about being a healthy child of God.
