

Hi everyone,

I am Miss Grime. I have worked at Skerton St. Luke's for what feels a very long time! Mrs. Goodwin and I have worked together in Year 1, Year 2 and now in Reception.

Before working at Skerton St. Luke's I lived in Oakville, which is in different country, called Canada, where I worked as a nanny, also looking after children.

I have 3 brothers, along with lots of nieces and nephews, I enjoy spending time with them. My brother has a huge dog called Bjorn, which in Swedish means bear... I love to go visit and play with him after school.

Living so close to the beach I enjoying wandering down, on a sunny evening to have an ice cream and watch the beautiful sunsets and when it is dark the shooting stars!

Enjoy the summer and I look forward to seeing you in September.

Miss Grime
