

Hi everyone, I am Miss Grime.

I have worked at Skerton St. Luke's for what feels a very long time! Mrs. Goodwin and I have worked together in Year 1, Year 2 and now in Reception. Before working at Skerton St. Luke's I lived in Oakville, which is in a different country, called Canada, where I worked as a nanny, also looking after children.

I have 3 brothers, along with lots of nieces and nephews, I enjoy spending time with them, along with my friends and their children.

I enjoy going for long walks with them in my spare time and living so close to the beach I enjoy wandering down, on a sunny evening to have an ice cream and watch the beautiful sunsets and when it is dark the shooting stars!

Have a wonderful, safe summer with your families.

I look forward to seeing you in September.

Miss Grime
