

SKERTON
ST LUKE'S
CHURCH OF ENGLAND PRIMARY SCHOOL

Hello children!

We are really looking forward to welcoming you when you start school where you will join Miss Grime, Mrs Stanborough and I and become a member of our Reception Class. We are looking forward to meeting you during the summer months when you start to visit school ready for starting in September and thought it might help if you knew a little more about us.

I am Mrs Goodwin and I will be your class teacher when you start school. I have worked at St Luke's now for 18 very enjoyable years.

People say I have grown roots as I have been here so long. When people ask me why I have stayed in one school for so long all I can say is... I love it just as much today as I did

when I first started. I am very passionate about early education and my specialist area and degree is in Early Years. I truly believe a child's learning journey starts before a child is five and I see my role in joining you as parents to ensure all children have a wealth of positive, fun, practical, hands-on experiences to develop children's skills, knowledge and understanding building the foundation blocks for life.

I am a mum of two (boisterous) boys aged nine and seven and have been married for thirteen years. I love spending time with my family. At the weekends and school holidays, we enjoy being outdoors walking, camping, cycling, building dens and playing games and sport. I also enjoy reading and try to find time to get lost in a book on an evening (although finding time often proves a challenge). I love catching up with friends, listening to music and trying new things.

Family is really important to me and I am really looking forward to meeting you all as a class when you start school and become the new Reception family at Skerton St Luke's.
