Miss C Grime TA & Key worker

We hope you had a fun break and are ready for the busy half term ahead (Countdown to Christmas!)

We really enjoyed getting to know you and your child last half term and were pleased so many of you could join us for our Stay and Play celebrations. If you were unable to attend don't worry, we will arrange a further celebration closer to Christmas. Also please feel free to drop in after school on a Wednesday before 4pm. Your child will be happy to give you a tour of the classroom, share their Learning Journey and Writing book with you and we will be available if you wish to have a chat.

Our Early Years Maths workshop starts on Tuesday 12th November at 9am. Please see the leaflet sent home for more information. We really hope you can join us. (**Adults only**)

As your child develops new interests at home, let us know so we can include these in our planning as appropriate. The Home/School diary can be used to communicate with us and will help to further develop our partnership. Please feel free to write any interests down in here. We will also use it to write notes, short messages and give information to you. We will look and sign the communication diary every day so please keep it inside the Red Book bag.

We love sharing your child's achievements in class (the children love it too!) so please keep the WOW slips coming! If you need more, make a note in the diary.

Parent & Teacher meetings will be held next week on Monday 4th and Thursday 7th November. Please make an appointment for a 10 minute slot ASAP if you haven't already done so. Any problems please see Mrs Trowse in the office. This is a great way for us to share how your child has settled into school life, the friendships they have formed while discussing their strengths and areas for development in their learning.

Reception have PE on Tuesday.

Please remove all jewellery before your child attends school on this day.

If you have any further questions please feel free to come and speak with us at the end of the school day.
