## **Science**

**Key Question: What is under our feet?**

**Recap: -**

**Task:** What do you know about rocks and soils? Complete the sheet.

**Outcome: To find out what you already know about rocks and soils.**

**Resources attached to bottom of this plan.**

## Religious Education

**Key Question: How did Jesus change lives?**

**Outcome: To know that Jesus had/has the same dramatic effect on people's lives.**

**Weekly task:**

- What do you know about change? Both wind and light have a dramatic effect and can change a room, landscape or object completely. Go into your bedroom and make it really dark by closing the curtains or blinds and turning all the lights off. Now turn the light on! Dark to light is a change! If it is windy, look at the change to the trees when it blows.
- Now look at this lesson from NISCU all about changes...how Jesus changes lives: <https://youtu.be/F3unRb3KErs> It lasts about 13 minutes.
- Complete the questions and puzzles on the Jesus Changes Lives sheet.

## People Today

Andrew (in Australia) said he chose to follow Jesus when he was eleven. In his life he believes Jesus encourages his love of animals and drawing.

Peter used to worry, but now he says Jesus tells him he doesn't need to.

Diana chooses to put God first and trust Jesus

Debbie said she is forgiven by God and has hope because of Jesus.

There are millions of Christians all over the world who believe Jesus has changed their lives.

Forgiven – Healed – Rescued – Hope – Love – Peace – Joy – Trusting – Friendship – Worshiping
